

## Jeunesse-Oorkaan-Academy

### **Guidelines for recording an application video**

#### **For musicians:**

- For the audition video, please record a video of you performing a piece or excerpt from a piece of music of your choice, **played by heart** (max. duration 3 minutes).
- Instructions for creating a good audition video can be found in [this tutorial](#).

#### **For directors, theater makers, choreographers:**

- Please select excerpts from previous works or plays for the application video, especially if they were intended for a young audience (maximum duration 3 minutes).
- If you do not have videos of previous works: Surprise us in max. 3 minutes! Be it with a cartoon, a monologue, a collage of productions that inspire you or something completely different.

#### **For all:**

- A max. 2-minute statement in German or English why you would like to participate in the Jeunesse Academy.
  - o What do you expect from Jeunesse-Oorkaan-Academy? Why do you want to participate?
  - o What interests you most about Jeunesse-Oorkaan-Academy?
  - o What do you hope your participation will do for your artistic future?
- The recording must be done in a single take, with no cuts or edits, similar to a live performance
- Shots that are slightly longer or shorter will be accepted
- Filters or post-processing are strictly prohibited
- Supplemental links to entire concerts or productions are possible and welcome in the artistic resume.
